Re: Wall & Rock, Inc.

Dear Department of Natural Resources;

I have, over the last few years, received many letters and notices regarding Wall & Rock, Inc. This most recent letter, a copy of which is attached, states that this was a certified letter and was addressed to me as registered agent. This letter, as well as all others, were not sent registered or certified to me.

Section 16-17-301 of the Utah Code states that the Registered Agent is an agent authorized to received service of any process, notice or demand required or permitted to be served on the entity.

Section 16-17-302 states that my duties as Registered Agent shall be to forward any item "served" upon the registered agent.

I am not a principal of the company, nor am I an officer or other employee of the company. I am not a person to accept or forward ordinary mail addressed to the corporation. These mailings received have come very often and is a burden to me personally, as it is outside the descriptions of my duties as registered agent according to Utah Code.

I request that you stop mailing me notices or other information directed to the corporation or its officers. If such notice is necessary to be delivered to the company, it should be appropriately served according to Utah Code. You have the apparent mailing address of the corporation and its principals and request that you provide all mailings to this address. I will no longer forward mail to the corporation unless directed to do so under Utah Code.

Thank you for your attention to this matter.

Subject: Notice of Intention to Forfeit Reclamation Surety, Wall & Rock, Inc., Freedom From War Mine, S/039/0024, Sanpete County, Utah

Dear Messrs. Wilhite and Jaynes:

The Division of Oil, Gas and Mining has decided to request approval from the Utah Board of Oil, Gas and Mining for forfeiture of the reclamation surety and revocation of the Notice of Intention to Commence Small Mining Operations for the Freedom From War mine (S/039/0024). The Division will also seek approval from the Board to collect, in civil court, the penalties associated with cessation orders MC-07-01-14, CO-2010-41-01, MC-2010-61-02, MC-2010-17-05, and MC-2010-42-10 associated with the Freedom From War, Mt. Pleasant (S/039/0027), Mt. Pleasant North (S/039/0030), and Gulch (S/023/0087) mines. The total amount of these penalties is about \$32,180.00. This decision comes after approximately three years of attempting to facilitate multiple agreements to resolve outstanding reclamation requirements and enforcement issues.

You will be notified when the Division files a Notice of Agency Action. Please contact Peter Brinton at 801-538-5258 or me at 801-538-5261 with questions about this proposed action.

Sincerely,

Paul B. Baker  
Minerals Program Manager
